The Ultimate Data Center Cable Labeling System

UniTag® Cable Labels

- Identify cables easily
- Save costs with reusable heavy-duty plastic labels
- Can be used on virtually any size cable or groups of cables
- Reduce the number of flag ties so labels are easier to see and follow
- The the smooth snap-on, snap-off action won't snag your skin like traditional flag ties
- Available in a variety of colors for cable colored runs
- Large surface allows for three lines of type

UNLIMITED LIFETIME WARRANTY

Epson LW-PX Printers

LW-PX 900

LW-PX 700

- High-speed print output so you can print precise labels faster and in better detail
- Rugged printer body that meets MilSpec drop tests
- Built-in handle makes the printer easy to carry and use
- Upload and store up to five image files or choose from 1,000+ industrial symbols
- Auto-rewind technology pulls unused tape back into the machine, saving tape
- Print labels in a variety of lengths in succession

The Ultimate Data Center Cable Labeling System

PX Label Printer Features & Benefits

Industry-leading savings — Innovative rollback technology reduces lead margins to 4 mm, which translates to less cost and waste per print

Auto full/half-cut — Create strips of uniform or mixed-length labels for ease of printing and application in the field

Amazing power — Import and print large batch files with easy-to-use Label Editor software

Large built-in memory — Create, import, and store label designs and custom images

Specialty print modes — Application-specific hot keys simplify wire marking and industrial applications

Easy to carry — With built-in handle
