Win the Cable Management Crusade

AnD Cable offers a curated range of Velcro® Brand hook and loop fasteners to keep your cable bundles nice and neat. Easy to use and re-use when you need to make adds, moves or changes.

VELCRO® BRAND
AUTHORIZED RESELLER

- Versatile, durable, reusable and easy-to-use fasteners
- Pliable material prevents cable damage
- Most products available in 10 eye-catching colors

Wrap-Lite Minis

One-Wrap® Die Cut Straps

Velcro® HD Cable Wraps

One-Wrap® 25 Yd Rolls

Revolutionize Your Rack Space

Save time, money, and energy. Our Wrap-Lite Minis, One-Wrap® Die Cut Straps and Velcro® Cable HD Wraps can be used on virtually any size cable bundle. The Wrap-Lite Mini is well suited for fiber cable management. Simply wrap your cables into tidy, color-coded (up to 10 colors) bundles to prevent the cable curtain that can block heat dissipation and reduce uptime.

Ensure the safety of your cables and your staff. Unlike plastic cable ties that damage your cables if cinched too tight, or have sharp edges when trimmed, Velcro® wraps are soft and pliable.

Cable Management Done Right

Single use, plastic cable ties have to be cut off, endangering cables. Use durable hook and loop wraps hundreds to thousands of times. Select from pre-cut sizes or spools. Custom pull tabs available upon request.

Our Wrap-Lite Minis and One-Wrap® Die Cut Straps are ideal for use in data centers or broadband headends. One-Wrap® 25 Yd Rolls and custom length Velcro® HD Cable Wraps are perfect for commercial A/V setups.
